

Restaurant DÜNE 48 and Bar GÜNTER'S

[Restaurant](#)

Enjoy large and small delicacies in our restaurant DÜNE 48 with a view of the promenade. Floor-to-ceiling windows, noble parquet flooring and finely laid tables create a bright and exclusive atmosphere in the restaurant with its 120 seats. Watch the chefs in the show kitchen prepare the dishes. Whether a little something in between or a romantic 5-course candlelight dinner at the crackling fire in our fireplace room - we will spoil you with culinary moments of pleasure that will stay in your memory. Guests who are not staying with us are also very welcome. For your good taste, we do not use any convenience products, flavour enhancers or artificial colourings.

[Bar](#)

Our Cafe'-Bar Günter's is the ideal place to let the day by the sea pass by in a relaxed manner. At 12:00 o'clock with an aperitif and a homemade piece of cake, in the afternoon on the terrace with a burger and the regional Störtebecker beer or in the evening with fine cocktails and spirits. At Günter's everybody finds his favourite time!

The air is filled with the salty scent of the sea. A fresh breeze blows from the Baltic Sea only a stone's throw away over to the sunny terrace. Large umbrellas provide pleasant shade. The Baltic Sea beach chairs are cosy and convey that typical holiday feeling that makes the world with its hectic pace seem far away. Just linger, look into the green and enjoy the moment with a coffee or a fine meal.
