

In our SPA & MEER we completely redefine unlimited wellbeing on 2000 sqm.

The infinity outdoor pool, two panoramic saunas with a view of the Baltic Sea, a sea view infrared cabin for three persons and an experience shower tunnel make the SPA a paradise for all those who are hungry for relaxation. Here body and soul refuel new energy. Whether sauna, beauty treatments, massage or private spa - with us wellness is more than just massages and cosmetics.

Switch off and enjoy the peace and quiet in a unique ambience. Our staff know exactly how to boost your production of happiness hormones, release tension and reduce stress. You are also welcome as a day guest!

Children love water! Fun, splashing and relaxing - in our family SPA . In the 20-metre long swimming pool with integrated whirlpool, you can swim, romp and play every day from 13.00-15.00 hours. The whole family will find relaxation in the various saunas and from the circulation-friendly, 30 to 40 degrees Celsius warm tepidarium to the cuddly Finnish sauna with 100 degrees Celsius, you will break out in a sweat in our sauna landscape on many different ways. Relaxation rooms or the sun deck are ideal for switching off. In our wellness house we spoil you from head to toe.
